Not so long ago the Australian version of the BetNGo gambling portal appeared on the market and you can already expect it to be very successful. Extensive offer of games from the best manufacturers, courteous service for Australian players and lucrative promotional offers make [roo casino](#) app a must-have. In addition to casino games, live casino, sports betting and online poker are available to players. Everyone will find something for themselves.

Roo Casino Software and Games

Roo Casino uses software from the best manufacturers. Here you will find casino games and live games from Microgaming as well as Betsoft slots in 3D . Tain provides casino and sports betting software, and Playtech provides a poker section. Players can choose from more than 450 games .

In the Roo Casino section, you will also find slot machines from other manufacturers, including news from Net Entertainment . Fans of traditional casino games can play blackjack, roulette, classic baccarat and Punto Banco, as well as the Caribbean Stud or Pontoon. In the 3D casino section you can play Betsoft slots, including those with progressive jackpots .

If you like keno, bingo or scratch cards, Roo Casino has several offerings for you.

Fans of live games at Roo Casino can play roulette, blackjack and baccarat. Roo Casino Android mobile app allows you to play your favorite casino games on mobile media.

Roo Casino Promotions And Bonuses

Any decent gaming site should have attractive bonus offers, and Roo Casino is no exception. New players get a 100% bonus up to \$150. In addition, you can request a total of 100 free spins on the Starburst slot.

Roo Casino free spins can be won in two steps.

- Immediately after registration, 25 free spins are credited to the player's account , and on the following two Mondays, 10 free spins each, for a total of 50 .
- If the first deposit exceeds \$25, the player is entitled to the following 50 free spins .
- It is also worth keeping an eye out for the current Roo Casino promotional offer.

Security & Payment

Roo Casino is based on the Curçao license. Allows players to set game limits or temporarily close their account at their request.

The deposit system is simple and transparent, and players can deposit at Roo Casino using the most popular payment methods such as Przelewy24 , Skrill or Paysafe Card . Payments by credit card or bank transfer are also accepted.

Roo Casino Client Service

Roo Casino customer service can be contacted by email in English . The maximum response time is 12 hours, but I got an answer within a dozen minutes or so. The efficient and reliable support service at Roo Casino also includes online chat . There is also the possibility of a telephone conversation with a consultant, if the player specifies his phone number in the text of the message.
